I. PURPOSE

To define the steps for the coordination, distribution, and record maintenance for the University Identification (ID) Card program.

II. SCOPE

This procedure applies to the following types of ID cards:

- Employee ID cards
  - Faculty ID cards, both with and without bus privileges
  - Staff ID cards, both with and without bus privileges
  - Research Associate ID cards
- Student ID cards
- Trustee ID cards
- Other ID cards
  - Affiliate ID cards
  - Non-affiliate ID cards
  - Badges

This procedure includes information on validation, replacement, and collection of expired ID cards.

III. ADMINISTRATIVE RESPONSIBILITIES

Panther Central has overall responsibility for the administration and implementation of the University ID card program.

Panther Central is responsible for:

- Producing and distributing all University ID cards
- Coordinating the production and distribution of ID cards with the appropriate unit throughout the University
- Maintaining the ID card data base and associated records

Academic Departments/Administrative Offices are responsible for:

- Providing pertinent data on faculty, staff, student, trustees, and other affiliates of the University to the ID Center, necessary for the production of ID cards
- Assisting with the distribution of ID cards, as needed
- Collecting ID cards upon termination of University association, as needed.
- Coordinating with Panther Central special forms of identification used within the unit
- Returning lost, stolen, or confiscated ID cards to Panther Central
- Checking for proper validation for the ID cards prior to providing services
- Confiscating misused cards
- Informing Panther Central of all cards not collected and returned

The Regional Campuses are responsible for distributing ID cards in accordance with the procedures established by Panther Central, including determination of the department providing the distribution.

Sponsors are responsible for collecting ID cards from participants at the time of termination of University association and for returning the cards to Panther Central. Sponsors assume all financial responsibility for expenses incurred by participants through misuse of the ID card.

IV. DEFINITIONS

Faculty ID Card: An ID card issued to University faculty members or emeritus faculty. The type of ID card issued to a faculty member is dictated by the designation set at the time of hire. ID cards may be varying in type and privileges. Verification is made through Faculty Records.

Other ID Card: An ID card issued to an affiliate or a non-affiliate of the University. These cards vary in type.

Identification Number: Unique fifteen-character number assigned to an individual which provides the primary key for machine-readable services.

Senior Officer: An officer of the University with the title of Chancellor, Provost, or Senior Vice Chancellor.

Sponsor: A campus, school, department, program, or individual responsible for the verification of affiliation which results in the issuance of an ID card.

Staff ID Card: An ID card issued to University employees when employment is not contingent upon student status. The type of ID card issued to a staff member is dictated by the designation set at the time of hire. ID cards may be varying in type and privileges. Verification is made through Human Resources.

Student: An individual who is registered and paid.

Student ID Card: An ID card issued to an individual who is enrolled in a University program for which tuition is charged, and who is not restricted by a student service hold.
