### IV. Policy

The Office of Admissions and Financial Aid (“OAFA”) administers the University’s participation in the TE Program. In consultation with the University’s Provost and Senior Vice Chancellor (“SVC-P”), OAFA determines the administrative procedures, eligibility criteria, and scholarship terms associated with the University’s participation in the TE Program.

The TE Scholarship is not a guaranteed benefit to University employees, but rather a scholarship opportunity available to Eligible Employees.

The value and number of available scholarships to be awarded each academic year is determined by the SVC-P in accordance with the University’s financial capacity and is reviewed on an annual basis.

### V. Application Requirements

As stated in Section IV, in consultation with the SVC-P, OAFA has the authority to administer the University’s participation in the TE Program. This section outlines the general rules related to the University’s TE Program application requirements.
Specific application details and procedures related to this Policy (e.g., eligibility, deadlines, and requirements) are publicized on OAFA’s Tuition Exchange website. This information can be accessed on the OAFA’s website found here: https://financialaid.pitt.edu/tuition-exchange.

A. Tuition Exchange Export Students (Applying to a TE Partner School)

Each TE member institution sets its own admissions standards and eligibility criteria for awarding TE Scholarships. The placement of TE Export Student applicants is not guaranteed. TE Host Institutions have the right to terminate TE Scholarships if students do not meet standards of academic performance or personal conduct of the Host Institution.

Preference will be given to first-time TE Program participants. Other eligibility criteria may be considered as necessary depending on the quantity of the TE applicant pool. Where participation is limited, selection will be made based on the Eligible Employee’s length of full-time service defined by the date(s) of consecutive, full-time hire as determined by the Office of Human Resources or Faculty Records.

A TE Export Student applicant must be a qualifying Dependent of an Eligible Employee.

The Tuition Exchange Committee may revise and/or apply additional eligibility guidelines as necessary.

The value of the TE Scholarship will be determined by the Host Institution.

Employee eligibility status will be recertified as needed by the University’s TELO. University Policy AC 20, Effect of Separation on Eligibility for Faculty Scholarship Benefits; and University Policy ER 05, Effect of Separation on Eligibility for Staff Scholarship Benefits should be referenced when employee eligibility status has changed.

TE Scholarship renewal is contingent upon the Approved Export Student maintaining the required standards of the Host Institution.

B. Tuition Exchange Import Students (Applying to the University)

TE Import Student applicants must be admitted to the University and certified as eligible for a TE Scholarship by the TELO at the Sponsor Institution. When the number of TE Import Student applicants exceeds the number of available TE Scholarships available in a particular academic year, the TE Committee will consider academic merit and other criteria as necessary when selecting TE Scholarship recipients.

TE Scholarships to support attendance at the University cover tuition up to the Annual Set Rate established by the TE Program. TE Scholarships do not cover room, board, or special fees (e.g., health, activities, and network service fees).

TE Scholarships only apply to full-time undergraduate enrollment and may cover up to eight (8) academic terms. The University has the right to limit eligibility to less than eight (8)
academic terms. The number of awarded academic terms will be disclosed to the TE Scholarship recipient in the original award letter provided by the University.

TE Scholarships can be used to support University approved/recognized study abroad opportunities where the student is enrolled meeting full-time enrollment status of at least 12 credits. Academic terms pursued abroad will be applied toward the number of awarded academic terms. If eligible, the TE Scholarship will cover the associated program tuition up to the Annual Set Rate and will not cover any travel expenses, room, board, or special fees.

TE Approved Import Students must be recertified by the TE Sponsor Institution as required by Tuition Exchange Central. TE Approved Import Students must meet University scholarship guidelines, which includes maintaining satisfactory academic progress per University Policy AC 31, Financial Aid Satisfactory Academic Progress to have the TE Scholarship renewed.
